

# Kinnos Highlight® Additive Enforces Compliance with Coverage & Contact Times

## Colorizes Disinfectants

so you never miss a spot

## Fades in Color Over Time

to indicate when contact time has been met

## Modifies Liquid Properties

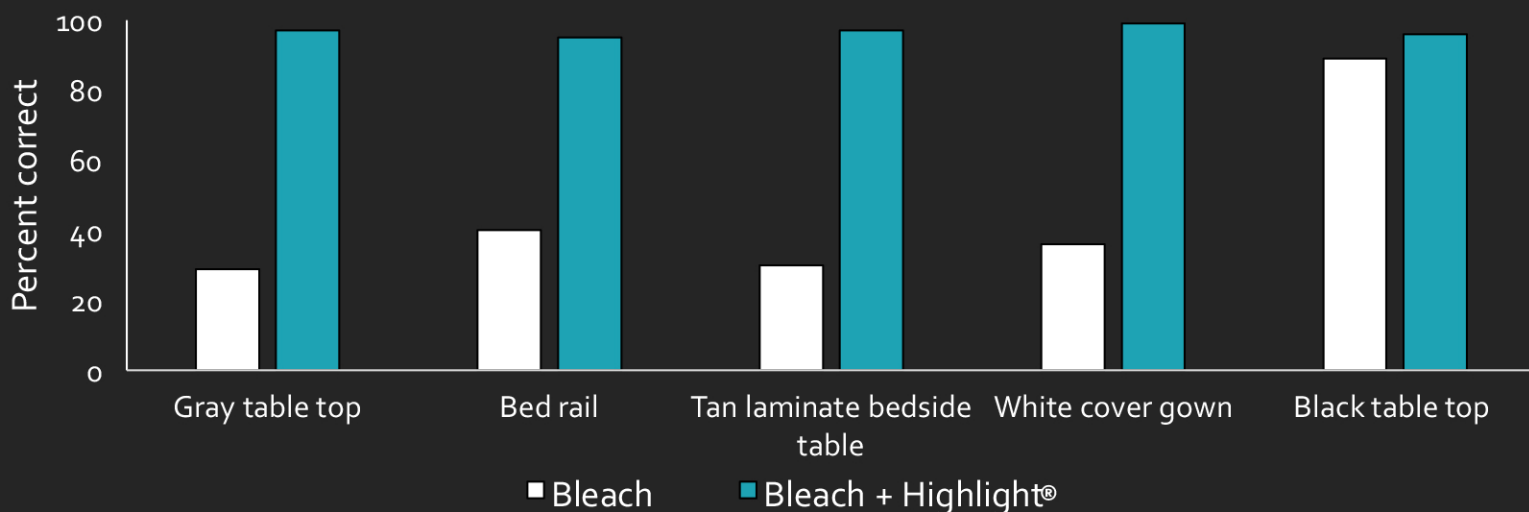

to fully cover surfaces

Bleach alone

Bleach + Highlight®

Healthcare personnel more accurately identify disinfectant coverage on surfaces when using Highlight®.

Mustapha A, et al. Am J Infect Control. 2018 Jan;46(1):119-121.

**99%**

agreed Highlight® vastly improves coverage

**97%**

found Highlight® very easy to use

**100%**

preferred Highlight® over the status quo

Kanq J, et al. J Hosp Infect. 2017 Nov; S0195-6701(17)30628-X.
