

360° PORTABLE EMERGENCY LIGHT TOWER

WHENEVER YOU NEED IT.
WHEREVER YOU NEED IT.

The **Luminite Inflatable Light Tower** is an innovative product designed specifically for the needs of today's emergency services. Durable, easy to use and extremely quiet, these light towers provide first responders and mobile units an impressive amount of ambient lighting that is easy on the eyes.

Portable and available in two sizes, they set up in seconds and illuminate fully in under 3 minutes.

Ready now for what's next.™

Features

- ▶ Takes seconds to inflate and achieves full illumination in under 3 minutes
- ▶ Cools down in 3-5 minutes for storage
